

PATROLEYES

★ ONE YEAR WARRANTY

SC-DV7

***PatrolEyes delivers superior quality, the longest battery life,
and the most features at half the cost!***

ADVANCED FEATURES

ONE TOUCH RECORDING While in standby mode or turned off, simply press the record button on the camera to start recording (when record mode is set to auto). LED indicators and audio alerts (can be disabled) will notify you when recording has started or stopped.

1296P HIGH DEFINITION The SC-DV7 allows you to record in up to 1296p HD, as well as 1080p in up to 45fps and 720p in up to 60fps. Paired with the camera's wide angle view, you will capture every detail.

EXTENDED BATTERY LIFE Record for 6.5 hours in full 1080p resolution on a single charge!

32 MEGAPIXEL CAMERA Features a 32MP camera with a burst shot option of 5, 10, or 20 photos, the built-in memory can store thousands of high quality images instantly. Snap pictures while the camera is recording as well.

PRE AND POST EVENT RECORDING Allows you to record videos up to 1 minute prior or 10 seconds after the point when you press record, so you never miss a moment.

MULTIPLE NIGHT VISION OPTIONS Built in infrared LEDs can be turned on or off with the push of a button. Record up to 30 feet in pitch black with the infrareds activated or disable them for covert low light recording while still in night vision mode.

MULTIPLE FIRMWARE OPTIONS Allows you to manage your camera in multiple modes-- choose between our password protected version or non-password protected version firmware.

MOTION DETECTION RECORDING Allows for recording whenever the camera detects motion so you never miss the action.

WIRELESS REMOTE CONTROL Allows for recording audio and video or taking photos without ever needing to touch the camera. Remote has 3 easy to use buttons and a key ring for easy mounting to your belt or keys.

INCLUDED CHARGING STATION The drop-in charging station allows for easy charging of the camera.

TIME / DATE / ID STAMP Date and time stamp option on every video with officer ID, which can't be tampered with. Can also be password protected.

EXTERNAL VIEWING The 2.5" color LCD screen with built in speaker allows you to view video and audio recordings instantly. AV out port and a micro HDMI port allow for viewing data on a larger screen.

DEVICE LOGGING When transferring videos the included files have their own unique device ID, log files, and video/photo files organized into folders so you can easily find the evidence you need!

WALKIE TALKIE (PTT FUNCTION) The PTT function with compatible cable allows you to replace your shoulder microphone so you can connect the PatrolEyes HD to your walkie talkie. View our list of PTT walkie talkie compatible models.

HEAVY DUTY CASING Waterproof up to 3 feet and drop proof up to 6 feet!
